A REGION WORTH EXPLORING

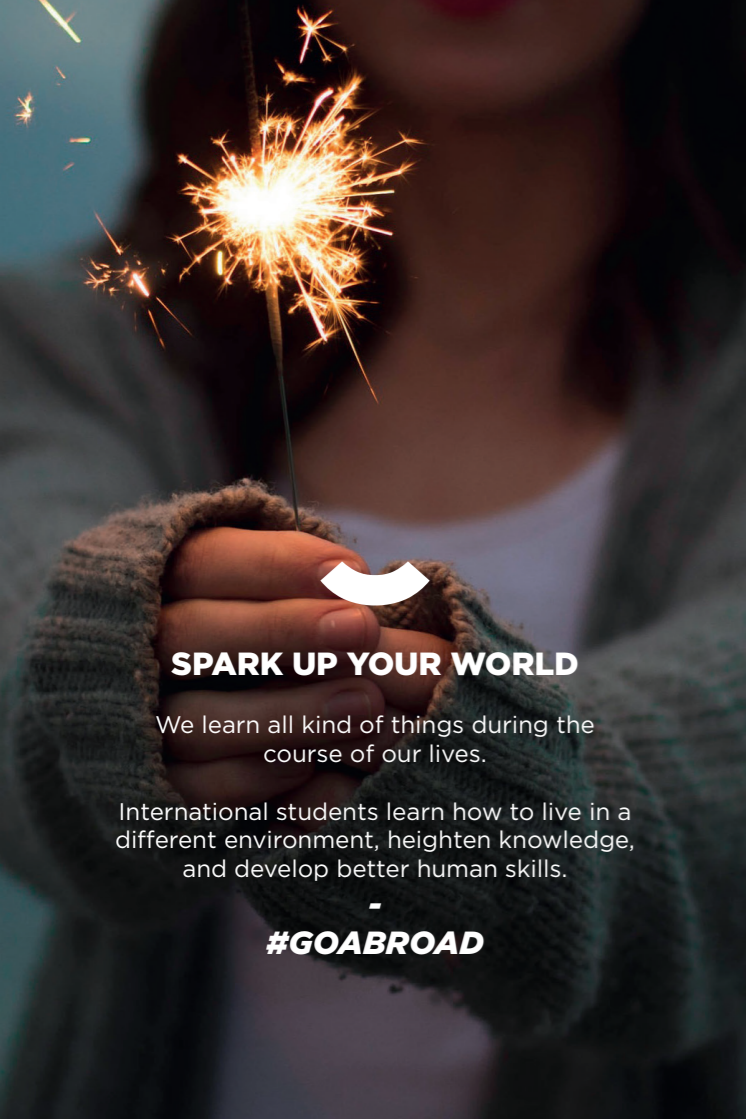

At the heart of Europe,
the Bourgogne-Franche-Comté Region
is one of the greenest ones.

Explore the Jura mountains,
spend some time in beautiful outdoors
and take quick trips to
Switzerland, Germany or Italy.

There are many places to discover and
great people to meet out on the trails

#GOGREEN

SPARK UP YOUR WORLD

We learn all kind of things during the course of our lives.

International students learn how to live in a different environment, heighten knowledge, and develop better human skills.

#GOABROAD

WE MAKE SURE YOU GET THE BEST EDUCATION AND SERVICES YOU NEED

The International Relations & Francophonie Office welcomes you Monday to Friday.

Our team is here to answer your questions and help you make the best out of your stay in France.

Multiple meetings, conferences, and parties are organized throughout the academic year.

The University of Franche-Comté is one of the first French Higher Education institutions to have been awarded the label "Welcome to France" (July 2019). This new label recognizes our University's quality's involment and actions in favor of welcoming international students.

BE SURE TO SIGN UP FOR A GREAT EXPERIENCE!

#WHYNOTYOU?

WE BELIEVE IN EXCELLENCE

The University of Franche-Comté hosts 24 research labs and centers, covering all main fields of research. We are part of a leading region in micro and nanotechnology, thanks to our traditional watchmaking industry.

Excellence, transfer and international outreach are the main drive of our research strategy. We develop prime research projects within the European Union research programs.

#RESEARCHTHIS

GET INVOLVED ON CAMPUS!

More than 100 students associations are hosted on campus.

Be sure to check them out and find your favorites: sports, arts, citizenship, charity, music, sustainable development...

#CAMPUSLIFE

HIGHER EDUCATION EUROPEAN AREA

The University of Franche-Comté is part of the three-cycle system (bachelor-master-doctorate) as well as the European Credits Transfer System (ECTS).
