Order by Student	Order by Title	Order by Supervisor	Order by Last edit
« PreviousNext »1 of 1			
<b>THE DETECTION OF CNV IN WHOLE-EXOME SEQUENCING DATA OF PATIENTS WITH NEUROGENETIC DISEASE</b>			
Supervisor:	<input type="text"/>	Bachelor Thesis (2019/2020 - LS)	Assignment (PDF)
Study branch/Study program	(cs) 17PBI+17KBI – bachelor branch Biomedicínská informatika	Status*: <input checked="" type="checkbox"/>	<input type="text"/> <b>Upload</b>
<b>IMPLEMENTATION OF COM ALGORITHM IN TREMAN3 APPLICATION</b>			
Supervisor:	<input type="text"/>	(2019/2020 - ZS)	Assignment (PDF)
Study branch/Study program	(cs) 17PBI+17KBI – bachelor branch Biomedicínská informatika	Status*: <input checked="" type="checkbox"/>	<input type="text"/>
<b>CURSOR CONTROL TASK WITH HELP MICROCONTROLLER USING SIGNALS OF CYROSCOPE</b>			

4. Click on “**Upload**” for the project to which the work should be uploaded (**PDF** or **ZIP** format – attachment).

- Rules for naming the file are the following (only individual bachelor or master thesis itself):  
**PDF file** „Subject code\_ID\_name\_surname.pdf“ (*Subject code, ID, name, surname*).

- Eg. F7PBBBBP\_785654\_Jan\_Student.pdf;
- F7PBBBBP subject code (Bachelor thesis) is according to the study program and the version to which you registered in KOS, ID is the identification number of the student.

- Rules for naming the file if more extensive attachments are included (for example SW source code etc.: **ZIP file** „Subject code\_ID\_name\_surname.zip“ (*Subject code, ID, name, surname*).

- e.g. F7PBBBBP\_785654\_Jan\_Student.zip;
- F7PBBBBP subject code (bachelor thesis) is according to the study program and the version to which you registered in KOS, ID is the identification number of the student.

5. You will see a screen with basic information about the project and the form for uploading the thesis / project, see below for details.

6. Student shall fill in all the obligatory fields (**PDF file** – uploading, then the window for selection of the file shall open, **ZIP file** – uploading, then the window for selection of the file shall open, **Abstract in the language of the theses, Abstract in English, Keywords in the language of the theses, Key words in English**). Abstract and key words must be similar to those in the bachelor or master thesis.
